FILED

RICHARD W. WIEKING
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

Abraham Portnov

Plaintiff

Vs.

Carnival Corp.

Defendant

December 2, 2014

After comparing the sum of compensation in my case with sums in other cases, which were less stressful; and also considering the methods of Carnival defense in my and other cases, I am asking the court, without making any changes in the "Statement of Claim" in my Complaint, To increase the sum of compensation.

Change only in "Relief":

"2.Demand the Carnival Corp. to pay me \$670.000 in compensation for discrimination and getting severe stress with the consequences."

"1.Demand from the Carnival Corp. a written apology" could (or not) be delayed since I have gotten a written apology in the Carnival letter.
